

FREE TILING BEST PRACTICE WORKSHOP

Hosted by Baytec | Presented by Laticrete Technical Specialists

Why Attend?

- Stay up to date with tiling and waterproofing best practice
- Learn techniques for large format and external tile installations
- Understand common causes of failures and how to avoid them
- See professional installation systems demonstrated live
- Get your technical questions answered by industry experts

Live Demonstrations Using

- **LATICRETE® LATAPOXY® MOISTURE SHIELD** A two-component epoxy coating designed to reduce moisture vapour emissions.
- **LATICRETE® HYDRO BAN®** A thin, load bearing waterproofing/crack isolation membrane.
- **LATICRETE® HYDRO BAN® Fillet & Sealant** A one component, fast-curing, hybrid elastomeric adhesive and sealant.
- **LATICRETE® 227 Titanium** Ultimate adhesion for porcelain and glass tiles.
- **LATICRETE® MVISTM Veneer Mortar** A patented, polymer-fortified mortar for installing adhered masonry veneer, stone, and thin brick.
